REQUEST FOR EXTENSION OF RESPONSE PERIOD

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Under the provisions of Rule 136(b), Applicant requests
a one-month extension, until November 20, 1981, to respond to
the Office Action dated July 20, 1981 in the above-identified
application.

The extension is needed since the Attorney working on
this case for the Attorney of Record has left this office,
creating an unusually and unexpectedly heavy docket and further
time is necessary to draft a suitable response.

This is a first request made in good faith without intent
to delay.

Respectfully submitted,
Robert E. Fischell
